Herts.

There is probably a special envelope with
the Registration book.

You will see I have put the date May 11th
on cheque & form as there is no
need to send before that.

I think that is all there is to do,
I have asked George to fetch Lady G.
some time.

for leaving & everything is upside
down.

The weaver who called on us at the
temple in Feb. has only made one
small item of the order we gave him
& has'nt even started the things
we specially wanted. we are full of
rage & indignation. The weaver
Sheikh Sarbit took us to has had
everything ready by the date promised.
I am very disappointed I have not got
the hand woven brocade to bring back
with me.

Lots of love to you all.
your affectionate daughter
Myrtle.
