

Arabah el Madfunah
Nov 30th 1932.

Dear Mother.

We arrived in camp yesterday & had a terrific^{sic} welcome, everything was in good order, our dog waved his tail & pranced with delight, & at supper time our cat came & demanded food just as if we had never been away at all, there was a constant stream of visitors all day long & two new babies were brought for our inspection,

This morning we were busy getting Joey into action, we had the taxi man from Baliana station to help, & as soon as Joey was ready we drove into Baliana to arrange for our various boxes & cases of foods etc to be sent to camp & then did a little shopping. I bought this note paper

 there, it is really quite good
 & it seems a pity to bring writing
 pads from England.

I called for my letter at
 books in Cairo, & found one here
 when I arrived, & two came by
 to-days^{sic} post, also the Observer.
 I think Nanny is hoping we will
 soon read it as she is short of
 paper for her shelves. Last years
 paper is all dusty & crackly

The last day I was in Cairo
 I went with Rex & Nancy to dine at
 the Kedival Hotel by M^r Pendlebury's
 invitation, he was very nice &
 awfully pleased to hear I know
 the Shackletons, he is a great
 friend of Pat Shackleton.

Rex took me round to the
 Head quarters of the Cairo Police &
 I got an Egyptian driving licence

I also went round to the Residency
& put my name in the book
so that Lady Lorraine would know
I was in Egypt & had called to
pay my respects.

I have filled in the form
for the refund on my licence &
sent it straight to Hertford. &
asked them to send the refund
to my home address. I do not
know how it will come, but if
possible will you pay it into the
bank for me

We came down here by
the night train, Rex & Nancy
came with me to the station
& we met M^r Little & Amice there.
Amice & I had one 1st class compartment
to ourselves & Little Un' had the
next, & we were very comfortable
& slept solidly until 7 o'clock in
