Dear Mother.

This is a very hasty letter written in my nightie before going to bed, have just heard that all is in order for my journey to Dakhla. the Mudir of Sohag has got in touch with the Frontier Police of the Western Desert & they say it will be quite all right for me to go out there & they will assist me in any way they can. so my first plan is to get to Kharga. the "Governor" will be expecting me. so I shall call on him as soon as I arrive, & he will give me all information about the journey on to Dakhla & probably make arrangements for me. Sardic is going with me as my personal servant. wont<sup>sic</sup> it be an adventure I am getting very excited about it.

I start Tuesday afternoon & will camp for the night near the desert rail that runs to Kharga so .as to be ready for the train that starts 5-30 in the morning. it gets to Kharga about 4 in the afternoon

I have had a letter from Starkie<sup>sic</sup> {Starkey} saying he hopes I can go to Palestine when the season here is finished

to do that job for him. He offers a fee. as well as all expenses paid. so I hope I shall be able to fit it in on my way home. of course I shall fly from Cairo to Jerusalem, Amice says she is coming with me.!!! wont it be fun.

I must get to bed now. I am starting work soon after 7.

Letters may be rather spasmodic. I shall be away for 10 days. I dont suppose the post out there is more than once a week. if that.

Love to you & Father.
