I could look up words in the dictionary, & asked me to find a very difficult one. he was very surprised when I found the three letters that formed the root & turned it up in the dictionary.

The Omdah also called & we said polite things.

I found everyone flourishing - the dogs have grown a lot & they knew me again, the cat came in to supper just as if we had never been away.

I have got to hurry up with my unpacking. This is only a very hurried letter as I am afraid if it does not go today it.
