DES SUCRERIES ET DE LA RAFFINERIE D'EGYPTE

1<sup>er</sup> 5<sup>th</sup> May.

Dear Mother.

We have had four hectic days packing, of course Amice found there was much more to be done than she had reckoned for & we were at it from six in the morning till past eight at night, however it is all done now & we are staying with the Roche's while Joey goes into their workshop to have repairs done to his dynamo. we hope to start for the Red Sea tomorrow morning.

We had some lovely camel rides before we left. the Commandment of the Camel Corps lent us his three best riding camels for four days & each evening we rode out into the desert with the Hagg Mahomed, the handsomest of our Soudani guards as our escort, it was a duty very much after his own heart as he adores camels & gave us much useful instruction in managing them.

The Roches are being so kind to us, we dined with them in the garden last night the garden is illuminated with electric light & the sprinklers were placed near the dining table to keep the air

cool & moist, while we had desert<sup>le</sup>

Madame's two huge dogs were brought & given their bowls of food & the servant with them carried a baby fox in his arms. it was quite tame & unafraid & let us fondle it. it is a new pet, a cat also came to be fed. This morning we spent a couple of hours in the workshop with the mechanics who are attending to Joey & we fixed up his hood & did several odd jobs that we had had no time to attend to before.

My next letter will be from Cairo, but it may be a little later than usual as I do not expect we shall arrive in time to catch the next mail.

I expect the car insurance will be due very soon, will you ask Father if he will send them the cheque as usual. Also the AA subscription of 2 guineas is due June 1, I don't expect I shall be back in time so if they send a reminder as they usually do would Father send them the cheque also for me, I have not got my card with me so I do not remember my membership number but they will quote the number when they ~~say~~ send the reminder so all he need do is to send the cheque & say "As my daughter is abroad I am sending cheque for renewal of her subscription, her membership

number is so & so — or words to that effect.

I must send Nancy a note now to  
tell her I shall be arriving in Cairo in 9 or 10 days  
time.

Lots of love to you both.
