Dear Mother.

The apples have arrived. I had not told Amice anything about them, so they were a great surprise, the winter nalis pears were all ripe & we had to eat them up quickly, the doyen-de-comice were all dead rotten & had to be thrown away. wasn't it a shame, but the apples were all a lovely golden colour, & we are now enjoying them, of course I gave some to the men, & sent some to Betty Oulton, Nannie has made apple pie, they cook perfectly, when I gave one to little Mahmud he called down Allah's blessing upon the garden & prayed that it may be increased to double its size!!
(added "Allah forbid") I have settled down to work again, it is very hot here, & we are getting up at 5.30 to take advantage of the best part of the day. there was a very high Nile this summer & the floods have not quite

Dear Mother.

subsided yet, so we are being rather bothered with mosquitoes

I was so sorry to hear the news about Pat's aunt, it must have been a dreadful upset for them all, though I did was a mercy her illness was not prolonged please give Pat my love & my sympathy to them all

As the Safety First maps are of a convenient size for posting you might enclose them in one of your letters, we might have some fun trying to find out all the mistakes.

Nannie seems very well, she was very glad to have her new overalls that were in the apple box, as her others were in rags, all the clothes that were in the box were damp from the rotten pears, but they very quickly dried when we hung them out, & they were not stained in any way as they were so protected with paper

and packing. Amice has bagged the box to keep her boots & shoes in, & will probably use it to transport some of her things to Lower Nash.

Sheikh Jed el Karim came to visit me, I am starting my lessons next Friday. We have three new Soudani's one is a Hajj that is a Moslem who has made the pilgrimage to Mecca, this one has been twice so is extra holy. Sandie's donkey has got a baby a few weeks old, it was brought to visit us, of course we simply adored it, it was quite friendly & sucked my fingers. His dog's latest puppy came also.

Sandie's wife was to have ^{had} twins this summer but something went wrong, & they came too soon, so she lost them. Fortunately she is very well, so are the rest of the family.

Lots of love to you & Father
