Dear Mother.

We have great excitement to-day Lady Lorraine paid a visit to the Temple she had her Father & Mother with her & several other people from the Legation. There were great preparations, the road from Baliana was mended, all the military & police from miles around were in attendance also a young regiment of camel corps & of course all Arabah & Beni Monsur came to see the arrival. We, being the only British representatives in the place received them, & showed them round & generally did the polite, they were most awfully nice & insisted on us having lunch with them. a magnificent spread had been specially sent down from Cairo, we provided the table, (the two large drawing boards on trestles that we play ping pong on). We had sardines, tunny fish pate de fois gras, ham, Turkey & trimmings chocolate cake, chocolates marrons glaces

all sorts of fruits & coffee. & various wines.
 It was some picnic & every one enjoyed it
 I am afraid very little work was done.
 of course we showed our paintings & they were
 very much admired

The amusing thing is that Nannie
 & the native servants are basking in reflected
 glory. They are so puffed up with pride at
 our intimacy with such important people
 that there is no holding them

Nannie is so delighted with her
 Home Chat which arrived yesterday & wishes
 me to thank you very much for sending it
 for her. Thanks also for the postcards of the
 Masonic School. I will give them to Sheikh Sarbit
 at our next lesson

Thank Father also for his letter
 I will write to him next Tuesday

Lots of love to you both
 your affectionate daughter
 Myrtle.
