Dear Miss Caverley,

I heard from His Highness the Crown-Prince of Italy and His Suite, that you have been so kind to guide them during their visit at the Temple and the Desert, as I expected, and beg to thank you very much for your kindness.-

The Prince was very pleased by his visit and asked me your name and that of your friend. The later one I was unable to give him, but I promised to communicate it to the Marquis Bivio-Sferza. So you would be very kind to let me know the name of your friend as I shall write to the Marquis to-morrow.-

My wife, though not entirely well, was able to accomplish the duties on her charge yesterday and she and myself would be pleased to see you here at a nearest occasion.-

Sincerely yours,
