Dear Mother

I was so sorry to hear the news about Nan, I am not really surprised as she was a good age, though it is hard to realize that she was older than Buffles. I expect poor Buffles will be very much upset, it means a lot to her as she has so few links with her more prosperous days left now.

I have been down to the temple to-day for the first time since my cold. I had some jobs I could get on with at the house so did'nt^{sic} waste time except for two or three days when I stayed in bed or felt too headachy to do anything Yesterday the head gaffir (guard) of
