Dear Myrtle,

Just to give you two pieces
of news - one that I have just
had some septic tonsils removed
& two that by the time you get
this I shall be married ^{at short notice}. The lady
who has taken such an unquestionable
risk is Mollie Paget and we have
got a little flat at E Finchley.

There will be exactly six guests
at the wedding (Chipperfield) and
for my purely personal part I am
sorry the religion must come in.
I have already upset one minister
by not knowing if I was baptised
or not & have not got as far as
the main ceremony yet.

I hope you are having
another successful expedition

& drinking in the sunshine.
 Guildford to day is a solid
 wall of mist and cold

With all good wishes,

Yours,

Eric

PS. As every thing has been
 arranged quickly and I have
 not been too well into the
 bargain I have not seen M^r
 & M^{rs} Broome but hope to when
 convalescent.
