Dear Mother

Arrived here on the 27<sup>th</sup> the men were at the station to meet me & there was great excitement Nannie had a nice breakfast ready for me & then I had a busy day unpacking & arranging everything.

The stores arrived the next day & they had to be sorted & checked over & put away. everything came in good order.

All the men are well, the dog & cat both in good condition & the garden beginning<sup>sic</sup> to sprout. Yesterday we got Joey in working order, I got a mechanic from Baliana & he & Sardic had a glorious time, I was very relieved when I heard Joey give his first snorts, I drove over to the temple to-day.

It is very hot here now, I drip over my work, the new overalls are very comfortable. Little Un arrived yesterday, he is busy getting his quarters fixed up & doing odd jobs for Nannie. It almost seems as if we had never been away.

We have two of our old Soudanis<sup>sic</sup> again we were specially pleased to see Mahomed Kheir

as he was one of our favourites, we look on him  
as a lucky mascot, as his name means  
Prosperity.

I have received your two letters that  
were addressed to Cooks. also one from Amice  
I expect she is in England now. & you will probably  
hear all her news long before I do.

Lots of love

your affectionate daughter  
Myrtle.
