

Arabah.  
Nov 3.1933.

Dear Mother.

Your first two letters addressed to the camp arrived yesterday. I am afraid my letters have been rather spasmodic, there have been so many interruptions as well as many letters to write for the society, callers have been coming thick & fast, my gyroscope has been a great success, also the letter cards of Wales, they help make conversation.

We had our first game of ping-pong yesterday, our Soudani's<sup>sic</sup> helped retrieve the balls, it was funny to see two tall soldiers bristling with ammunition chasing after ping-pong balls,

I have had a visit from two sparrows & fed them with crumbs, they seem to remember that there is some connection

Arabah.  
Nov 3.1933.

Dear Mother.

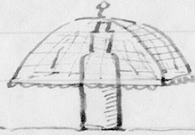

Your first two letters addressed to the camp arrived yesterday. I am afraid my letters have been rather spasmodic, there have been so many interruptions as well as many letters to write for the society, callers have been coming thick & fast, my gyroscope has been a great success, also the letter cards of Wales, they help make conversation.

We had our first game of ping-pong yesterday, our Soudani's helped retrieve the balls, it was funny to see two tall soldiers bristling with ammunition chasing after ping-pong balls.

I have had a visit from two sparrows & fed them with crumbs, they seem to remember that there is some connection

between scaffolds & crumbs.

We have quite settled down to work now as if we had never left off. The covers for the food that Mrs Anderson gave me are simply splendid, & Abdulla is very proud of them. I was very amused yesterday to see one perched on the top of a lemonade bottle - thus

The School master was very pleased with his scarf

He was to pay a visit to his home Thursday & Friday of this week so he will be able to show it off to his wife & family. Do you remember the donkey flute that I got on the boat on my way home. Rex pinched it for "Erb" he hopes to get him to imitate it. The other two squeaking toys I have given to Sandic's smallest & Mahomed Ibrahim's little Ali & they had great fun.

Bath just ready.

Much love to you both.  
Myrtle
